No Change to Layoff Policy and Council to Begin Negotiations with GPOA

The Gilroy City Council met in closed session on 3/2/09 regarding labor relations issues. Based on a desire by the four collective bargaining units not to pursue changes to the layoff and bumping policy, the current policy that is contained in the Human Resources Regulations will remain unchanged. Further, the City Council will be entering into negotiations with the Gilroy Police Officers Association to discuss a successor Memorandum of Understanding.
