Camino Arroyo Bridge – Ribbon Cutting Ceremony

The public is invited to attend a ribbon cutting ceremony for the Camino Arroyo Bridge on Saturday, November 22, 2008 at 10:00 a.m. The ceremony will take place at the north approach to the bridge, which is at Camino Arroyo and 6th St/Gilman Rd. Parking will be available at the new Valley Medical Center Clinic, 7475 Camino Arroyo.

Construction, which began last spring, has continued on schedule. Although the bridge will now be open for through traffic, other aspects of the project, such as sidewalks, street lights, traffic signal and landscaping are slated for final completion, as planned, in early spring, 2009.
