Coffee with Mayor Don Gage June 20th

Mayor Don Gage will be hosting his next “Coffee with the Mayor” event Saturday, June 20th at 9:30 a.m. in the City Council Chambers, 7351 Rosanna Street, Gilroy.

There are currently many avenues in which citizens can engage the Mayor in discussion, but these Coffee with the Mayor venues provide an additional, informal setting in which the Mayor can answer questions and otherwise engage in specific or broad discussions on city issues with Gilroy residents. This event will provide an excellent opportunity to get updates on issues that have occurred and introduce yourself to Mayor Gage and learn more about his policy goals and vision for the City.
